Track Handback Engineer required urgently

Sibongile

December 10, 2019

Tracking, Uncategorized

critical

[Edit](#)

Recruiting for a Track Handback Engineer who has a proven track record to help with our expanding workload within the rail industry. The ideal candidate will have a strong focus on high level of service with a professional approach, determination and ambition.

Essential:

- 3 Years experience
- Valid Handback Engineer certification
- Valid PTS
- Full Clean Driving License

Flexibility will be required with travel and working arrangements.

Location:

- U.K, Scotland and Ireland

Edit

Technology won't
replace teachers...

...but **teachers who use
technology** will probably
replace teachers who do
not.
